

PRIVACY NOTICE OF EYES 360

Privacy of our patient's health information is an important principle to Eyes 360. We are committed and accountable to collect, use, disclose and protect a patient's health information in a confidential, secure and appropriate manner. You have access to our internal privacy policy on our webpage at www.eyes360.ca.

Our clinic collects, protects, uses, discloses, allows access, corrects, amends and disposes of health information in accordance with the *Health Information Act* (HIA).

The health information that we are collecting is needed to:

- Provide you with diagnostic, treatment and care services
- Provide for the training of students.
- Provide for research or statistical purposes.
- Provide for other authorized purposes(s) under Section 27 of the *Health Information Act*.

It is collected under the authority of section 20(b) of the *Health Information Act*, as it is directly related to and necessary to carry out an authorized purpose under Section 27. All health information such as medical history, medication, etc. is asked in a private setting. We may ask questions such as name, address, email, and phone number in a public setting. If you prefer to provide this information in private, please let us know.

The confidentiality of this health information and your privacy are protected by the provisions of the *Health Information Act*.

DO YOU HAVE A QUESTION?
